## Director's Meeting

Friday, 6 July 1951

25X1 Mr. Jackson reported that the Magnitude papers had gone forward from the USC to the JCS. Various JCS Indians are presently discussing the matter with Mr. [redacted]. DCI stated that he wants no more discussion and that the JCS can take it or leave it. He further stated that if there had to be discussion, it should be only with himself or the D/DCI and under no circumstances with O/PC.

Mr. Jackson stated that the proposed LOOK article could be very troublesome and might even embarrass the government. There is a chance that Fritchey may be able to solve the matter. Mr. Jackson will talk to Col. Hansen in regard to Fritchey and will determine whether it is better to let him go ahead or whether the DCI should call Gardiner Cowles.

The DCI mentioned that he had a note from Ambassador Wiley in which Wiley stated that he was worried about what the [redacted] could and would do in the South. DCI wondered whether he should see the [redacted] leaders who are in this country. Mr. Dulles will check this and also speak to State about them.
